

Nanjing Agricultural University

Introduction

Nanjing Agricultural University (NAU), founded in 1902, is a multi-disciplinary national key university under the administration of the Chinese Ministry of Education. With agriculture and life sciences as its dominant field, NAU has diverse branches of learning in its 19 colleges, such as sciences, economics, management, engineering, law and the arts. NAU now consists of five faculties: Plant Sciences, Animal Science, Biology and Environment, Food and Engineering, and Social Sciences. NAU offers 62 Bachelor's programs, 157 Master's programs, and 77 Doctoral programs. Currently there are 17,600 undergraduates, and 8,600 graduate students. The annual number of International students enrolled in degree and short-term exchange programs at NAU has reached over 1000.

Today's NAU is:

- A multi-disciplinary, national key university under the administration of the Ministry of Education.
- Being selected into the national “double first-class” initiative in 2017 (“world-class university” and “world-class discipline”, a new impetus for the development of China’s higher education sector).
- One of the Innovation Platforms for Outstanding Disciplines listed under the National 985 Excellence Initiative Project.
- Ranked No.9 in the latest ranking of “Best Global Universities for Agricultural Sciences” by U.S. News & World Report in 2017.
- Among the top 1% of institutions in the fields of Environment & Ecology, Biology & Biochemistry, Engineering, Microbiology, and Molecular Biology and Genetics according to a recent analysis of research citations by Thomson Reuters Essential Science Indicators (ESI). Moreover, the Agricultural Science and Plant & Animal Science of NAU has reached top 1%.
- Committed to a blueprint of promoting leading-edge academics, cultivating innovative and entrepreneurial talents, and emerging as a regional hub for international academic exchange and cooperation.
